# INAUGURAL WORDS FROM CITY PRESIDENT

MOHD. RASHADUDDIN  
CITY PRESIDENT-JIH  
GREATER HYDERABAD.

Dear Readers,

Assalamu Alaikum Warahmatullahi Wabarkatuhi

Hope you will find this newsletter in good condition of Imaan and health. JIH Greater Hyderabad is launching its first news letter, though it was decided in the last term but we could not launch it. Alhamdulillah now we got a good team who has worked successfully on it. Now this first Newsletter is in your hands. The main purpose of this Newsletter is to have a good communication and rapport with our well wishers. This Newsletter will give you the information about JIH Greater Hyderabad activities at city level, at local level and it's sub organization's activities like PSF, DARE, AIITA, CIC etc. We will try to cover activities of ladies wing, youth programs also. Here you will find information about activities of our NGO's and institutions also.

We are facing a tough time due to Covid-19 and in previous months, JIH has done relief work on a large scale to serve humanity then we started medical relief work. During Ramazan, we have conducted many programs for Muslims and Non Muslims. Due to Covid-19, our physical programs are decreased but Alhamdulillah we started online

1) Weekly program for children

2) Weekly program at muqami level also

3) Every Sunday night we are conducting medical lecture in coordination with DARE to guide the people to fight this pandemics.

May Allah save all of us from COVID-19. Hope this newsletter will bridge the gap between JIH and it's well wishers.

I Congratulate the team who worked for it and successfully launched.

Wassalam

# JIH HYDERABAD LEAD THE RELIEF WORK DURING THE COVID-19 LOCKDOWN PERIOD

Hyderabad was gripped by fear of Covid 19 and the sudden lockdown threw the common people life into more chaos with uncertain future lying ahead. The worst affected was daily wage laborers and the workers with shop shutting down due to curfew. Either dying by virus or hunger was the only option seen. In such disastrous time, JIH Hyderabad took a step and started an initiative by providing Covid 19 relief packages .the relief work included ration packages , cooked food and also cash distribution .

# WE ALWAYS ENCOURAGE YOUTH TO FOLLOW PATH OF ALLAH

June 2020

Due to the outbreak of the pandemic, the world experienced a new reality of physical distancing and online classes. Hence, JIH Hyderabad too decided to go online and conduct common Monday Islamic e-Classes for all the youth of the city on every Monday at 9:00PM since June 2020. We received of very good feedback and testimonies from the participants and their parents for these classes. Alhamdulillah, regular attendees of these classes have shown remarkable behavioural improvements, brought about significant reforms in their families, and are contributing to the society.

# KNOW MORE ABOUT...

## REMEDIES FROM TIBB-E-NABWI:

### Common Cold Treatment with Miswak:

Miswak is an integral component of common cold treatment. The benefits of miswak incorporate medicinal properties which have been used since ancient times. It cleans the teeth and kills the bacteria which accumulate in the mouth and cause damage to teeth. They should be effectively cleaned since their metabolic byproducts cause diseases. As narrated by Hazrat Abdullah Bin Abbas (RA), The Holy Prophet (SAW) listed ten benefits of miswak which are as follows:

1. Combats foul odor in the mouth,
2. Enhances the strength of gums and prevents them from bleeding,
3. Enhances eyesight,
4. Removes phlegm,
5. Reduces gum inflammation,
6. It is a Sunnah ,
7. The Angels favor the person who uses miswak,
8. Allah favors the person who uses miswak
9. It's a good deed.
10. It cleanses the digestive tract (Kanz al-Ummal: 26185).

### DID YOU KNOW?

MUHAMMAD IBN ZAKARIYA AL-RAZI WAS ONE OF THE MOST WELL-KNOWN AND RESPECTED PHYSICIANS DURING THE 9TH CENTURY A.D. BECAUSE OF HIS REVOLUTIONARY CONTRIBUTIONS TO MEDICINE AND PSYCHIATRY. AL-RAZI INFLUENCED SEVERAL MEDICAL FIELDS, INCLUDING PHARMACOLOGY, PEDIATRICS, NEUROLOGY, PSYCHOSOMATIC MEDICINE, AND MEDICAL ETHICS. HE PURIFIED ALCOHOL (ETHANOL) AND PIONEERED ITS USE IN MEDICINE. HE REJECTED THE NOTION OF THE MIND-BODY DICHOTOMY AND CONSIDERED MENTAL HEALTH AND SELF-ESTEEM AS SIGNIFICANT FACTORS THAT AFFECT A PERSON'S HEALTH AND WELL-BEING. WITH THE IDEA OF "SOUND MIND IN A HEALTHY BODY," HE WAS ABLE TO HELP MANY OF HIS PATIENTS TO ATTAIN COMPLETE HEALTH. HE WAS ONE OF THE FIRST KNOWN PHYSICIANS TO DESCRIBE THE IDEA OF PSYCHOTHERAPY. HE USED PSYCHOTHERAPY IN A PRIMITIVE BUT DYNAMIC FORM IN HIS PRACTICE.

# Islamic Social Service Society

The Society is in service of the Muslim community and the society at large in Hyderabad, since the past 50 years. It has various institutions in the field of Health Care and Education.
